La Môme

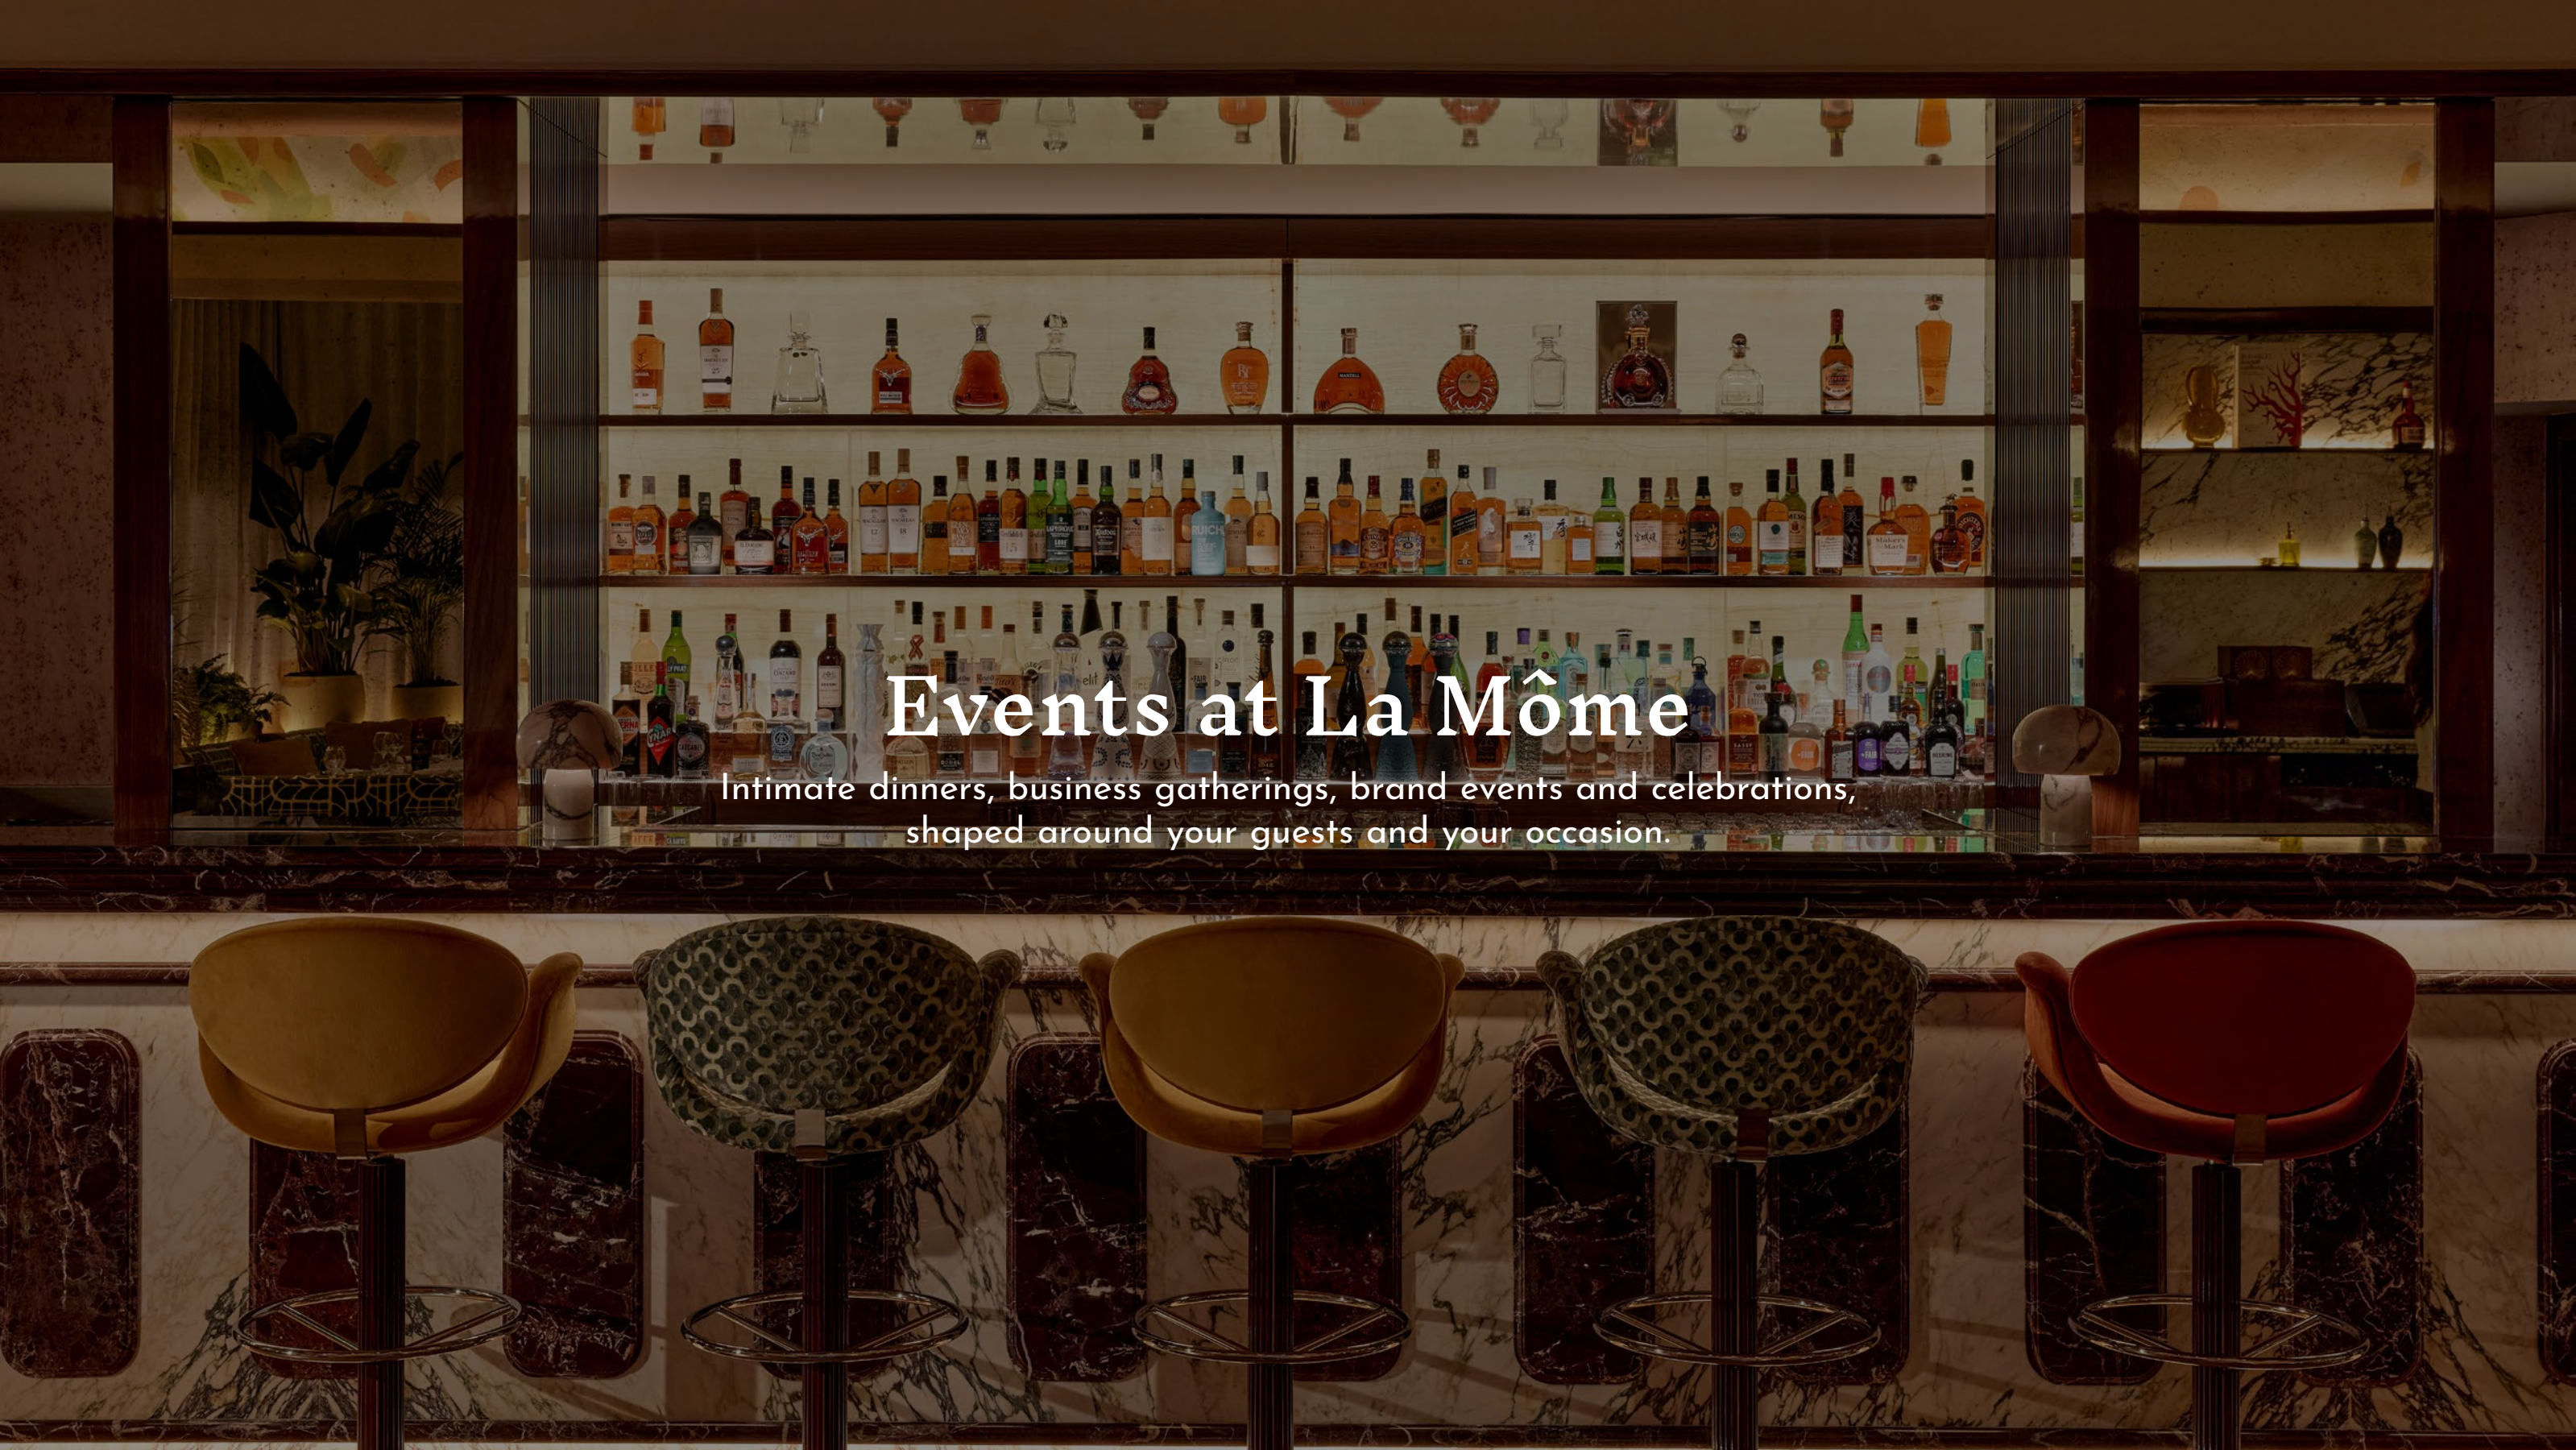

The spirit of Cannes, in the heart of Knightsbridge

Founded in Cannes by French restaurateurs Ugo and Antoine Lecorché, La Môme brings the spirit of the French Riviera to The Berkeley in Knightsbridge.

Mediterranean dining, signature cocktails and warm hospitality come together in a setting where occasions can move naturally from lunch or dinner into drinks, music and a livelier evening.

- Riviera-inspired interiors by Samy Chams
- Mediterranean menus inspired by Provence and Italy, made for sharing
- Signature cocktails, Champagne and carefully selected wines
- Music-led evenings with a resident DJ and live music
- Private dining, semi-private events and exclusive hire

A photograph of a bar interior. In the foreground, five bar stools with patterned seats and metal bases are lined up against a marble bar counter. Behind the counter, a large backbar shelving unit is filled with various bottles of liquor, organized by type and brand. The shelves are illuminated from within, creating a warm glow. To the left of the shelving unit, a large potted plant is visible. To the right, a smaller shelf holds decorative items like a vase and a small sculpture. The overall atmosphere is sophisticated and elegant.
